

As you focus on growing your business, is your bankrupt portfolio getting the right attention? Your bankrupt debt is a viable revenue source, but the recovery process is intricate. Do you have the time and resources available to maximize your recoveries? More importantly, is your team equipped to handle the pitfalls of an evolving legal environment?

Becket & Lee has been the leader in servicing unsecured bankrupt accounts for over 25 years. By leveraging technology and economies of scale, we offer our clients cost-effective bankruptcy servicing — but we also provide the expertise, ethics and integrity of a law firm. We will be attending the **Debt Connection Symposium and Expo 2011** in Las Vegas September 13-15. Please stop by **Booth #803** to discuss your bankruptcy program and how Becket & Lee's experienced team can help your business.
